MAKE YOUR FUTURE EVENTS SAFE AND INCREDIBLE AT
THE SAN DIEGO AIR & SPACE MUSEUM!

We have reimagined how we work with our special event clients to ensure the well-being of our guests and team members.

The Museum has implemented new protocols to make sure we offer a safe and fun environment for all to enjoy. These protocols include adhering to capacity limits, wearing masks at all required times, maintaining social distancing, increased cleaning and sanitizing, temperature checks for all employees and vendors and more.

We offer special accommodations for each client. Options available include:

• Exclusive access to Museum Galleries for you and your guests (one event per evening)
• One directional flow to assist with social distancing
• Available scavenger hunt to add a fun, educational component or team building experience
• AV/80 flat screens to display slides shows/videos
• Use of our state-of-the-art 3D/4D theater with rotating movies
• Take your event into the sky while trying your flying skills in one of our 3 Flight Simulators
• Enjoy food and beverages while strolling through our world-class Museum
• Take in the beautiful view of downtown San Diego from our Observation Deck

MAX-FLIGHT SIMULATORS

With 360-degree pitch, roll, spin and spiral action, your guests have never experienced anything like our Max-Flight simulators. Faster, sharper and more exciting than any indoor thrill-ride, guests can engage in interactive dog fighting, carrier landings, and aerobatic maneuvers with the finest, most realistic graphics available. Virtual rollercoaster rides are also an option. These two-seat simulators will be a hit with your guests (44” height requirement).

$300 per hour with two consecutive hours minimum.

AERIAL COMBAT EXPERIENCE (ACE)

Our four ACE flight simulators offer a level of realism in simulated flight. Each simulator features a wrap-around display depicting realistic flight instrumentation found in actual aircraft. Motion seats will give your guests the sensation of actual flight. Don’t miss it!

$400 per hour with two consecutive hours minimum.
ZABLE 3D/4D THEATER

The 3D/4D Zable Theater uses advanced 3D technologies and takes it to the next level of experience employing interactive seats and unique special effects built into the theater itself. By creating a set of "4D" effects synchronized to the films, the 3D/4D Zable Theater adds another layer of immersive and experiential fun for audiences of all ages.

$400 per hour with two consecutive hours minimum.

SPACE: OUR GREATEST ADVENTURE

Our newest special exhibition, SPACE: Our Greatest Adventure is interactive, educational, unique, and most importantly, FUN. SPACE explores mankind’s ongoing quest for the stars and how technology developed during the space program impacts our lives on a daily basis.

The SPACE experience also includes the actual Apollo 9 Command Module "Gumdrop", examples of Mercury and Gemini space capsules, and an Apollo Command Service Module. Currently on loan from NASA’s Jet Propulsion Laboratory in Pasadena is a full-scale model of the "Curiosity" Mars rover. Learning stations emphasizing careers and future opportunities in science, technology, engineering and math propel explorers of all ages into the endless possibilities of "SPACE: Our Greatest Adventure."

Contact the Events Department about how to add this special experience to your event.
